### **Billing Information**

County Hauling participated in an open and competitive bid process, in which the Township solicited bids from local and national waste haulers. County Hauling was the *lowest responsible bidder* and, as per state law, was awarded the contract. This award was not only based upon providing the lowest bid, but also upon our proven track record of high-quality service across more than eighty thousand residential customers in over 30 municipalities. We will be billing each individual unit in Hempfield, beginning the 1<sup>st</sup> quarter of 2021, and every quarter thereafter throughout the contract. Information regarding the rates for 2021 is below and will be included with the yearly calendars you will receive in the future. While your rates have gone up, please bear in mind that County Hauling was the *lowest* bidder to participate when the contract was put out to bid. There have been many changes in the waste industry in the last decade, both locally and globally, and the past rates are no longer economically feasible. There will be a 2% increase every year of the contract to account for inflation.

#### **2021 Rate** - \$55.50/Quarterly

There is a 2% annual payment discount. The **undiscounted** yearly rate is \$222, if paid in 4 installments of \$55.50. The **discounted** yearly rate, if paid in full in the first quarter of the year, is \$217.56.

**SENIOR STICKERS:** Must be a senior citizen over the age of 62 to exercise this option. 1 STICKER/BAG - \$3.00 PER STICKER. Minimum purchase of 12 stickers at a time. (Please contact Customer Service to set up this option). Recycling is collected weekly free of charge.

If you receive a bill that has the incorrect name, or is addressed to Current Resident, please login through the portal on our website using the information on the bill and request an account update. Our system is based on the address, not the name however, so you can still pay the bill if it is sent to Current Resident or the previous owner, and the payment will be applied to your residence. We will update your information for the next billing cycle upon receipt of an account update request. Please do not attempt to login to the portal before you receive your bill, your account will not be activated until you are billed. Please email us at [billing@countyhauling.com](mailto:billing@countyhauling.com) or call Customer Service at 724-929-7694 with any questions you may have.

Thank you,  
County Hauling Management
